

Best Exhibition Award
(South Tripura Administration
Matabari Diwali Mela 2013 & 2014)

Best KVK Award 2013

(ICAR Research Complex for NEH Region)

Citation

This KVK-South Tripura has created commendable impact through its various program and established good linkages with line departments, Farmer's Club, SHGs, NGOs, and progressive farmers for successful transfer of agricultural technologies. Popularization of SRI and ICM technology of rice, cropping system for rice based ecology, Integrated farming system, introduction of HYV of various crops, cultivation of mushroom, animal farming like rural piggery, goatery, poultry farming and integrated homestead farming and fish farming in South Tripura are the significant contribution made by the KVK. Moreover, employment generation through production of Amrapali mango planting material, establishment of mini-dairy in PPP mode, vermicomposting, validation of IPM techniques for managing important insect pest and diseases, value addition of fruits and vegetables, farm mechanization, development of stitching and crafting skill of woman etc. extended by the KVK have shown very good impact at community level.

Acknowledging the contribution, the KVK-South Tripura has been selected as an outstanding KVK of ICAR Research Complex for NEH Region for the year 2013.
